VIOLENCE SEEMS TO BE ESCALATING IN THE BARRIOS

Pastor Paez has reported that lots of bullets were flying around the church last week. Everything was cancelled during the weekdays. About 40 people died in gun battles, and about 50 were injured. The battle was between the police and the criminals for the control of the territory in nearby Barrios. Fortunately, by the weekend things had quieted down, and they were able to have regular services with souls being saved.

FOOD SHIPMENT

Another food shipment is being prepared to leave Miami on July 30.

It will contain 1,000 pounds of rice and 1,000 pounds of black beans plus a few other items.

If you are able to help us with these items, that would be greatly appreciated.

Please continue to pray for God's blessing and protection on the believers there. God is doing a great work!
