

VENEZUELA UPDATE

May 26, 2021

Dear Pastors and friends of Venezuela,

The children's church ministry has begun in the Barrios. One of the locations was in a government project apartment where a single mom with two girls lives. She got saved last year and has a burden to reach the families in her building with the Gospel. They had 17 kids in her apartment for their first meeting, and all were very excited.

There are 27 kids signed up to come to next week's meeting. That will be major congestion in her small apartment, but that doesn't seem to be a problem as they are very excited in reaching out to their neighbours with the truth of the gospel. We will include pictures of this location at the bottom of this email.

The children's church that was held in one of the other Barrios on Saturday had 81 kids in attendance.

NEW BAKERY

The bakery equipment is on its way to Caracas as of Friday, May 20th. The cost of this project is \$47,729.37. If all goes well, it should be delivered about the 20th of June. This should enable them to take care of all of their baking needs for their 70 Bible college students, as well as enabling them to produce product for the work in the Barrios. The bakery will potentially produce a lot of food in the days ahead. Some pictures included at the bottom of this email.

REMARKS FROM PASTOR PAEZ

My hands are full! It is incredible that in the midst of this terrible pandemic we are involved in doing so much. And the Lord keeps opening doors that we just cannot ignore.

Let's continue to pray and trust the Lord to do greater things in the midst of much suffering and hardship in Venezuela. May our Heavenly Father be pleased to do ever greater works until He sends our Lord and Saviour to call us home.

We thank all of you for your continued support of our fellow believers in Venezuela. God is accomplishing great things through your kindness.

May God Graciously bless all of you,

Pastor Unger

Children's Church in the Barrios

A small part of the shipment of bakery equipment and some necessities, scheduled for delivery in about three weeks!
